Friday, 23rd June

Well it was the last game before the holiday and we were playing 8 on 8. 8 are always difficult because it means 1 zone with only 2 players. That really changes the dynamic for those 2 players. However, we did very well. The whole game we did very well out of the midfield and controlled the play coming out of the rucks very well. This allowed us to get the ball going forward a lot more than the previous week.

All of the boys learned a valuable lesson playing to the whistle and not giving up in the contest. It was also very pleasing to see the whole team getting in and competing for the ball, though most importantly, not everyone at the same time! In the last few weeks there has been a lot more awareness from every one of what is going on around them. The hard part will be ensuring that we don't forget everything over the break!

Friday, 23rd June

As part of AFL's newly introduced 'Primary Colours' round, Southport Sharks Silvers played in green jumpers against the Yellow team resplendent in red jumpers.

While Silvers prepared for this match by wearing green jumpers for the entire season, red jumpers clearly disoriented the Yellow team who put in a below par performance (being short three experienced players did not help either).

In this last match before the holiday break, Silvers teamed up very well and did almost everything asked of them (we will continue to work on manning up when opposition have the ball - I have to say something negative else will make this high-paying job redundant!).

- **Declan** – BOG, was everywhere.
- **Kaelob** – rucked well, kicked long.
- **Riley** – won the ball, as he always does.
- **Kye** – fit in beautifully with his new teammates.
- **Hunter** – won the encouragement award, no more dribble kicks and showed great desire to get the ball.
- **Jettah** – took marks, kicked goals.
- **Cruz** – kicked straighter by dropping the ball on his foot in a less wrong manner, ran hard all game.
- **Ace** – always clean with his ball gathering and disposals.
- **Tommy** – played his best game under lights, ran forward and kicked dead straight.

I want to thank all the Silver Supporters for helping out with the roistered tasks every week and the support you give to your boys which enables all of us to enjoy what we love – Australian Rules Football.

Remember – we will keep training all through the holidays!

Friday, 23rd June

Back under lights for round 10 and under manned but we managed to get some imports in the form of Cody Stafford and little **Raif Jongeling** who got in amongst it with the bigger kids. The game didn't all go our way but one standout from what I heard led the way all night and that was Thomas who was awarded BOG for his efforts.

Scarlett was our captain for the game. Well deserved.

Olly McLachlan was awarded Coaches award for his effort.

I missed half the game due to an accident on the M1 but still made it there for the remainder of the game.

Special thanks to **Bernie McLachlan** for looking after the team in my absence and **Duane Jongeling** for goal umpiring.

Saturday, 24th June

Saturday we played Surfers Paradise, we got the jump on them early kicking 5 goals in the first quarter, From then on the game was very even. Good team play but we need to work on out tackling. Best on ground Cooper Wee.

Saturday, 24th June

TEAM Silver welcomed the Labrador Tigers to Sharks HQ main oval for our round 10 clash. They say a week is a long time in footy after a big defeat a week ago, our boys had a renewed energy at training and they carried this into the game.

From the opening bounce the boys were on fire, creating many scoring opportunities and restricting the opposition. Our defense pressure was fantastic and one of the most pleasing things was the number of our players who looked for each other which allowed us to play a fast free flowing game of footy.

Lead by our captains the ever reliable **Jakob** and **Harry**, the whole team should be very proud of the football you displayed today and throughout the season to date. Boys enjoy the mid-season break before we return to training in preparation for the last half of the 2017 season

Saturday, 24th June

Round 10, Saturday morning footy against Surfers Blue on their home ground.

It was an early 8am start and with very heavy dew on the ground it was going to make for some very interesting footy. It was pretty much wet weather footy. The ball supplied was the wrong type of ball; it was as heavy as a rock and like a cake of soap to handle.

The boys did their best considering the conditions but we really struggled to put our dominance on the score board. We had winners pretty much all over the ground for most of the day and we were able to hold the goalless right until the end of the last quarter. We kicked 2 goals 9 so some practice in front of the big sticks is a must moving forward.

Continued..

The only real highlight in what was a difficult game to watch was an absolute cracker of a mark from **Cameron**; he launched himself into a pack, got a nice sit and took a great hanger.

It's time to have a nice little break and come back ready to go for the last 5-6 games for year.

The final scores were: **Sharks 2-9-27** to **Surfers Blue 1-3-9**

Goal kickers were: **Kyle 2**

Awards were: **Cam, Cadel & Charlie**

Thanks to all the parents who helped out it's greatly appreciated.

Cheers Corey

Saturday, 24th June

After the parents and the coaches survived the 2 hour bus trip to Lismore with the players, we got down to business.

Lismore got the first goal within 30 seconds and it was game on. We responded quickly and it was all over for **Lismore** after that, we got out to a good lead and the team dominated **Lismore** from then on.

With the scoreboard well in hand, we challenged the team to be cleaner with their entries into the forward line, and to their credit, they tided that up well.

Most pleasing part by the end of the game was the use of runners and the voice. To hear this team talk to each other on the field today, to help each other out was very pleasing.

If we play the way we did today every week, then we give ourselves the chance of going all the way.

GIRLS Under 13's

By

Saturday, 24th June

On a sunny and warm winters day we welcomed the undefeated Burleigh Bombers to Sharks HQ. From the opening bounce it was evident that we were in for a great game as both sides battled hard for the entire 4 quarters. Our girls did a sensational job and never gave up showing great intent and team work. Our game plan today was all about being positive and keeping pressure on the ball and opposition with the 1st half being our best of the season and continuing to work for each other until the final siren.

GIRLS Under 13's
Continued..

We welcomed **Darcie** the newest addition to our team, who didn't stop competing all day. Our defense trio of **Kaitlyn**, **Mya** and **Allie** did another great job and congrats must also go to the mid field who battled hard all day

Special mention this week goes to our award winners

Fleur who played her best game of the season working tireless across the ground and your 2nd and 3rd efforts really made a difference. **Allie**, your work rate and commitment to keeping the ball moving forward and ongoing pressure on the opposition forwards was excellent. **Kaitlyn**, your focus and commitment to our back line structure was again a highlight during the game, saving many goals and turning defense into offence on numerous occasions. **Jemma** with only a few games into your AFL career you are showing a real energy and playing a big part in our teams' ongoing development. **Jasmine**, for only your 2nd game of AFL you have certainly displayed some great speed, agility which will only improve as we head into the business end of the season

Girls whilst we didn't take home the 4 points today we did leave an impression on Burleigh and their coaching staff that there is a really determined and commitment group of girls who are developing into a good AFL team. You should all be very proud of how you prepared and played against a very good side.

Enjoy the mid-season break
