Friday, 13th

First game back from school holidays was a cold one. Though at least it was not wet. It was good to see the team out there for our first under lights game of the year. Mudgeeraba were down a few players, but we were able to loan them a few to make a game of it. So big shout out to the kids who played for the other side! I never quite get that. I never wanted to do it as a kid, but everyone was so eager to volunteer.

We were a bit rusty and slow getting to the ball at the start of the game. Though improved well and I thought that we had a fairly even 4th quarter. Even though we missed a few targets, everyone was looking to move the ball around as a team. That is a very encouraging sign and makes for a better game to watch as well.

What a great way to get back into footy!!

The cool start to the day was changed with some red hot footy played by the white team! The boys all seemed to enjoy being back. It was tough hard footy with the white team being first to the ball, which then produced some excellent team work with handballs and precise kicks. After the game, the Coomera coach congratulated our boys on their effort and play, he said they played hard and fair and should be really proud of their efforts.

Congratulations... today's awards went to **Jagger Whitton**, Memphis Forster and Lachlan Coles. Well done to all the boys.

Thanks for the help today from **Duncan Lee**, **Rob Walker** and **Mason Kovalik**.

Thanks to **Franck** and **Candice Lejeune** for the oranges and lollies. It was a great start to the second half of the season. See you all at training this Tuesday 17 July @ 4.30

Today we convincingly defeated Ormeau with an outstanding four quarters of footy. From the first bounce we dominated the centre clearances and for the first time in a while converted our chances early. Our domination allowed us to rotate players through different positions which can at times upset momentum but credit to the boys they kept pushing the opposition. By halftime we had mercy ruled the Bulldogs and by the final siren we had a 15 goal win. We had dominant players all day with all boys making quality contributions. **Koby** and **Levi** were simply sensational, their run and carry was great to watch. **Alex** kicked 5 goals and was a clear winner all day. **Matthew's** development as an AFL footballer is a pleasure to watch as he can play in any position. **Jayden** and **Joshua** racked up possessions all day. Most of our boys kicked goals today in a very rewarding game.

We were a bit rusty early but completely outplayed our opposition to win 3 in a row. After two weeks break we took a while to remember our game structures but as the game progressed we settled and put the score on the board. **Jaxon** continued his great season as a small forward kicking 5. Well done to **Cooper C** who kicked his first goal for the club, then kicked another 2 minutes later. **Travis** was dangerous all game, kicking goals and giving them off. **Jasper** also slotted 2 goals late in the game. All boys played well with most players kicking a goal. **Blayd**, Riley, Flynn and Joshua were our best.

Great to get back to the playing field after our holiday break. We took on the 3rd placed Broadbeach in a game we were keen to continue our winning momentum to maintain our top position on the ladder. We certainly did that with a very solid 4 quarter performance. We had great ball movement throughout the game and our handball to advantage is really impacting positively on our games. Our tackling pressure was awesome putting the opposition under enormous pressure. Proud of the whole team particularly with the way that they are responding to the message. Special mention to **Jake** on his 50th game was best on ground with his ball winning ability driving us into attack all day. Also **Austin, Nelson, Charlie** and **Tynan** were busy all game and created a lot of play around the ground. **Alos** well had done to **Jono** on his 50th game a great achievement.

Score: Southport 11.7. 73 to Broadbeach 0.2.2

Best Players: **Jake, Austin, Nelson, Charlie, Tynan, Diesel, Cadel, Lochie & Billy**

Also thanks to our manager **Mick** for organising everyone and to all the parent helpers, much appreciated!! GO SHARKS!

Sunday, 15th July

It was great to be playing football again after a 2 week break.

We came up against a determine Pac Pines team. The break gave the boys a chance to recharge which showed early in the game. We found it hard to put scoreboard pressure on Pac Pines in the first quarter but as the game went on; our boys started to click into gear and started to play the style of football we played before the break.

We showed glimpses of our running game throughout the game which was encouraging to see and we had plenty of contributors throughout the team to help us take a hard fought victory. We face ladder leaders Coomera next weekend so we need to work hard at training this week to make sure we are prepared for next weekend's game.

Sunday, 15th July

I must say after Monday's training I was a little worried to see how we would go. But the team turned up to play today, with a much better start to the game than last we played PBC, we were switched on . It was still a little scrappy in the first, but we took a lead into the break.

We spoke about our pressure on PBC and having a clear man to feed back to behind play, and once we cleaned that up we never looked back, as we drove home a big win with each quarter just getting better.

Pleasing thing for me as the coach is that the team is really starting to gel, and the players that were a bit quiet at the start of the season are really starting to find form and there place in the team. I think that the boys shared the ball week today and they really believe in that team game.

Last thing, for the first time I saw the team excited for each other when they scored a goal or made a good tackle.

Well done team.
