There were a lot of things to like about the game on the weekend. When they had the ball we were marking up well and making it hard for them to progress the ball forward and when we had the ball we moved it forward with purpose.

Compared with the previous week we also wen much harder at the ball and won a lot more of the contested footy. So well done to everyone for a good all round effort.

As a team we need to keep up the good work and try to turn some of the one on one contest to our advantage by leading earlier. With only a few weeks to go I am very happy at the improvement that every player in the team has made this season. They all have something to be proud of.

**Sunday, 22<sup>nd</sup> July**

Another perfect winter morning greeted us at home as we took on Burleigh Black.

We have come to expect a hard and fair contest when we come up against any of the Burleigh teams and today were no exception.

From the first bounce we knew we had to play a high standard of football to kick more goals than Burleigh Black.

The game was tightly contested from the first bounce to the final siren.

The tackling pressure to kicking to your team mate and also handballing to a team mate is something we have worked out at training that is now starting to show on the football field.

It wasn't a high scoring game as both teams tried to shut down each other's game. In the end both teams let out a roar when the final siren sounded which can only mean both teams had a great game.

Our award winners today were **Caleb Press, Brodie Cleary** and **Kobe Brownrigg** for their game play.

Well done to these boys and also to the other 10 players for their great effort.

Also thank you to all the helpers and parents.

Unfortunately for our boys we were weakened by our other team playing away at Burleigh and at the same time Ormeau stacking their team. We were well in front at quarter time but struggled for fitness on the larger field. We needed a few more boys to stand up when required. Unfortunately Ormeau were too strong running away with a 7 goal victory. After beating them 3 out of 4 games over the past 3 rounds they celebrated like they had won the GF!

**Riley S** fought hard all game, **Zach** was a solid contributor and **Travis** was our best forward by a long way. **Jake** got plenty of the ball and **Ryan** and **Cooper C** would have also been happy with their contributions. **Cooper G** was given an award for his 2 excellent games.

We mixed our teams up based on our round one encounter against Burleigh and our boys were simply sensational. We easily mercy ruled the Bombers although the final score didn't reflect how tough the contest was. Our back 5 were acknowledged for their team first attitude with **Jackson** leading from the front. **Koby**, **Blayd** and **Flynn** were terrific in the middle. **Travis**, **Alex** and **Josh** worked well together and allowed **Jaxon** plenty of opportunities to kick 7 amazing goals. It really was a fantastic team game with all 15 players playing the perfect game.

We took on Ormeau for the first time at their home ground looking to continue our winning form and that we certainly did. It was a cold morning with dew on the grass but the boys were switched on banging on 3 goals to nil in the first quarter. We dominated the rest of the game and run out winners 6.11.47 to 0.5.5. We need to straighten up our shots on goal but all other aspects were impressive including our tackling, running in numbers, handballs to advantage and generally putting a heap of pressure from the opposition. Stand out games to **Tyrel** and **Riley** who won a lot of footy including some nice marking and run with the footy. **Austin** was clean with his possession and set up a lot of play. **Max** Dominated in the **Ruck** and **Billy** drove us forward all day.

Best Players: **Tyrel, Riley, Austin, Max, Billy, Tynan, Cadel, Jake**

Goal Kickers: **Tynan 1, Xavier 1, Austin 1, James 1, Max 1, Jake 1**

We took on Coomera today; both teams were locked on 36 points in 2nd place on the ladder, only separated by percentage so we knew this was a 'must win' game coming into the last few games of the season.

The boys had several points to focus on with the first being a fast start, we won the toss and kicked to the northern end of the ground with the breeze. We started fast and posted score on the board which gave our boys great momentum. We started to use the ball more efficiently which gave our forwards more opportunity with more balls in our forward line.

When the siren sounded for quarter time we held a handy lead however we knew Coomera had the breeze in the 2nd quarter so we had to work hard in the 2nd quarter.

The 2nd quarter didn't start how we planned and Coomera kicked several unanswered goals. As the quarter went on the boys did manage to stop Coomera's scoreboard pressure & we managed to kick a late 2nd quarter goal so we went into the long break with a slight lead.

The third quarter was a tough quarter as both teams were hard at the ball so we didn't capitalize on the breeze as we missed plenty of goals, we only registered minor scores. If we kicked straighter I am sure we would have had a big lead going into 3 quarter time.

The 4th quarter was a hard slog as both teams had tried extremely hard in the first 3 quarters so the last quarter was really all about who could dig deep and play the game out. In the end we ran out victories which were a fantastic result.

The boys played extremely well so full marks to the whole team for a fantastic effort.

Today we travelled to take on PP/Surfers. Again our forward entries we struggled with and were not able to score. However our tackling was outstanding and we were great in that area.

After 4 quarters we were well beaten by a team that has dropped down from div 1.
