Sunday, 29th July

There are a couple of really good things that we did on the weekend. There was some good distribution of the ball and in general the play was fairly smart. There were only a couple of times that we blazed away and turned the ball over. So that is definitely very good to see.

Also, it was good to see that everyone is really taking to the idea of playing a position. Unlike the start of the season where everyone in the same zone would bunch up the zones are starting to spread out and move to better spots when they don't have the ball. That sort of thinking will put everyone in good stead as they move through the ranks. So very good to see.

The overall game was fairly balanced and we probably could have tipped that balance slightly more to our favour if we had moved more forthrightly for the ball. Winning the clearances and getting first use of the ball is even more important in under 8s with the lack of tackling. It is really the best way to go forward.

Once again I am very proud of the whole team for their effort and the way that they have come along to date.

Under 9's – White

**By
Glen Forster**

We had a warm winters morning greet us at Broadbeach to take on the Broadbeach Red under 9s team.

We knew from the first bounce that it was going to be a tough hard fought game. The first quarter was even with both teams doing their best to help keep the ball in their forward lines & score.

The 2nd quarter opened up a bit more & each team started to hit the scoreboard, unfortunately for us, we hit the scoreboard with points not goals.

As the game went on Broadbeach started to take a slight advantage which in the end gave them more opportunity to score more goals.

We played well however Broadbeach were a better team on the day.

The award winners today were **Kobe Brownrigg, Hugh Russell & Memphis Forster** for there never give up efforts all game.

Well done boys and see you in Tuesday afternoon for training.

Same opposition from last week and same result. Easy win to our boys. Well done to **Harrison, Ryan** and **Alfie** for coming into the lineup and making a solid contribution. For the first three quarters we dominated but needed to convert more goals. 10 goals to 1 at three quarter time allowed us to throw the magnets around a little for the last quarter. Our last quarter was a little disappointing as we let Burleigh kick 5 unanswered goals. Unfortunately similar to the Ormeau game last week, boys need to take their opportunities when changes are made and they get to play in the more desirable positions. At the end of the game we finished 40 points ahead with three times more scoring opportunities. Another positive step forward building for next year.

Best players **Riley S, Jayden, Alex, Issaiah, Riley F** and **Travis**.
Back to our normal Silver and white teams next week.

Sunday, 29th July

A very warm winter's afternoon greeted us at Carrara as we took on Carrara Div 2.

With only 3 rounds to go after this game, our main focus's today was to maintain possession of the football as much as possible throughout the game and convert as many scores into goals not points.

We won the toss of the coin & kicked with the breeze in the first quarter, before the game I asked the boys to take full advantage of the breeze and get a big lead come quarter time.

We hit the scoreboard early and kicked multiple goals in the first quarter which was great to see, the 2nd quarter started well and we improved on our lead as the quarter went on.

We had focused over the last few weeks to start our games stronger which we did today.

Come the long break, we went over our objectives for the game and asked the players to keep putting more scoreboard pressure on Carrara to try and open the game up. The third quarter was a another good quarter however we didn't really capitalize on the scoreboard as we managed to kick more points that we wanted.

The last quarter was a tough quarter as Carrara had the breeze and dug deep to give themselves more scoring opportunities.

In the end we ran out comfortable a winner which was pleasing.

One sour note from the day was that **Liam Palmer**, who played in Div. 1 for the day, broke his collarbone and will miss 4 weeks (if it mends right). Please get around Liam at training tonight, **Liam** is a big part of our team and we do need Liam up and about if we make finals.

Saturday, 28th July

Players and officials to wear black shorts, club polo shirts & runners. No thongs. Emergency to run water.

We will need help with water runners this week so please let us know if you can help. **Zane** will be our runner this week & Trevor on interchange.

After a long stint on the side line with injury, our mid field will be bolstered with the return of **Terry** Giacoumis. Welcome back **Terry!**

Get a good night's sleep, hydrate and eat well in preparation for game day. Looks like it will be 25 & sunny ☀️

Starting line-up for our top of the table clash
