Sunday, 5th August

There was another picture perfect morning when we arrived at Ormeau Football Ground to take on Pacific Pines.

The boys had 2 training session during the week which weren't up to scratch however **Marty, Derek** and myself asked the boys to play the style of football we have been teaching them over the last few months.

From the first bounce the boys responded well with great ball movement and team play. As the first quarter went on, we dominated out of the middle into our forward line which gave the forward line plenty of opportunity to score.

We changed all players from each zone and challenged the four players in the middle to keep the ball in our forward line as much as possible and it worked well.

As the game progressed, we gave our mids and forward plenty of action with the football which converted into plenty of goals.

In the last term the boys in the forward line shared the ball amongst themselves to make sure they all got to kick goals which was great to see.

Our award winners this week were **Ryder LeJeune, Rio Frenklah** and **Josh Hall** who came and filled in **Caleb** who is away at the moment. Thank you for helping out today **Josh** you did a great job. Also well done to **Ryder** and **Rio** for your fantastic team play and the goals you scored.

A big thankyou to **Jeff** and **Brett** for coaching our White team to a big win against Labrador. I believe after a slow start our boys played quality footy to put in another dominant performance. Our last month of footy has been sensational with the hard work on the track paying off.

Team Silver led superbly by 50th gamer Cooper G also had a big win against Mudgeeraba. Down to just 9 players in the last quarter our boys were excellent. **Flynn** was a standout with his classy possessions, **Ryan** and **Jasper** performed the tough, hard stuff all day. **Zach** was the dominant big man on the ground with plenty of support from **Tomo** when he went into the ruck. **Cooper J** continues to get plenty of the balls and **Jaxon** put through another 8 quality goals. **Cooper C, JR** and **Rylie F** also had great games.

A great weekend for our Under 11 teams. Well done boys!

Tough game today against Burleigh in what was a very congested game, we fell short by 2 points, unfortunately we weren't assisted in the last quarter with a bad injury to **Nelson's** shoulder after a heavy tackle and a sling tackle to **Jake** giving him slight concussion, unfortunately we lost 10 minutes of game time with us kicking with the breeze and we couldn't get enough opportunities to go forward to kick the winning goal. Special mention to **Max** who played a great game for us in the **Ruck**, **Leo** and **Loche** fought hard all day in defense and **Riley & Billy** played a great contested game thru the middle. We will learn from our loss and be well prepared to take them on come finals time, when it really counts.

Best Players: **Max, Riley, Billy , Loche , Leo, Joel, Diesel, Charlie & Kai**

Goals: **Max 1, Charlie 1**

Sunday, 5th August

With a few players playing ones and a couple away, it was fair to say we were undermanned. However with the help of the ever reliable under 14s we got a team up to play.

Our first quarter was average, and that is being polite. We need to get out of these slow starts and come out of the blocks at full throttle. In the second we started the way we finished the first.

But with a few players moved around, we switched on and we started to apply pressure, and with that we outscored them 4 to 1 for the quarter.

For the rest of the game I can honestly say that we played good contested footy for the remaining 2 quarters but the damage was done and we went down by 50 points.

Div 2, Fast starts and Scoreboard pressure, this what we need to understand to win these games.
