Sunday, 12th August

Overall I thought that we didn't do too much wrong in the game. All of the things that we have been sticking to for most of the year came together well and the rotations of the bench seemed to hold together well.

Where we got piped was in intensity really. They played to the whistle; we stopped a bit earlier than they did.

Having said that there were still some really good passages of play where we used the ball well as a team to get forward. With one more week to go we need to ensure that we keep doing what we have been and keep our intensity up for longer periods of the game.

Let's end with a great game!

Our combined results this year indicated we were in for a tight contest and the first quarter reflected this. As I mentioned to the boys at the first break it was the most enjoyable contest I had witnessed all year. Both teams went at it hard with us just coming out in front. We discussed being more accountable when they had the ball and identified a couple key players we needed to be aware of. As the year has progressed we have become more disciplined with our team rules and the results have shown we are headed in the right direction. The remainder of the game showed we had more boys making the right decisions and we started to mount more scoreboard pressure. **Jayden** was outstanding forward and **Harry** was our best back. It was definitely a team effort across the board with us coming out of the contest 30 point winners.

The win allowed our 50 gamers **Alfie, Harrison, Joshua, Noah** and **Harry** to sing the song loud.

Final round for under11 next Saturday. White at Carrara and Silver at Broadbeach.

The boys were told to expect a physical contest but unfortunately we weren't switched on from the start. In our closest game for the year we hit the lead with 5 minutes to go through a great goal to Sam but then let in an easy goal to go down by 3 points on the siren. Our first three quarters were very average in comparison to our last month of footy. The Saints held their marks and were cleaner when the ball was on the deck. To our credit the boys had a crack in the last quarter and nearly stole the game. The last quarter definitely had a finals atmosphere as the loud cheering from our supporters was much appreciated. **Matthew** and **Cooper G** were clearly our best players.

Today was our second last game of the season and a “Bogey” game up against Broadbeach; this was a game we needed to win to keep in touch with the top two places on the ladder.

We came up against Broadbeach White on their home ground so we needed a win to keep our momentum up as we come up against ladder leaders Broadbeach Blue next weekend at our home ground.

The pre-game talk was all about clear instruction with a simple game plan to man up, plenty of talk on the field and encourage each other no matter what happens during the game.

We loss the toss so we kicked into a very stiff breeze. From the first bounce each and every player on the field played the way we asked them to play; we limited the opposition to minimum ball use which meant we had more of the football which showed on the scoreboard.

After our last 2 weeks of football, another focus was keeping the scoring of behinds to a minimum which happened in the first quarter. When the siren sounded to end the first quarter, we had a very handy lead even though we kicked into a stiff breeze.

At the quarter time break I praised the boys’ efforts and I encouraged them to keep playing the same style of football they played in the first quarter, in the second. They did this and more which was great.

We made some positional changes this weekend which seemed to work so going forward over the next few weeks, this will give us more options when we need to attack on the scoreboard.

As the game played out, the boys dominated all over the ground, the team play was excellent and we even managed to chip the ball around sideways/backwards to open the game up on occasions which worked.

In the end we ended up with a very comfortable win, our boys understood our focus points for the game so going forward this week we will work on keeping the boys skill levels up and getting them set for a top of the table clash this weekend.

Also a BIG THANK YOU to all the parents/helpers for their efforts on game day, thank you.

Don't forget Div 1 & Div 2 boys, we have a “Pie Night” this Thursday night at the club with the under 9s & 10s. If you are available, please come along and have a great afternoon/evening with the kids, they will be stoked to have the bigger boys come down and help out at training.

Players and officials to wear black shorts, club polo shirts & runners. No thongs. Emergency to run water.

We will need help with water runners this week so please let us know if you can help. **Zane** will be our runner this week & **Trevor** on interchange.

After a long stint on the side line with injury, our mid field will be bolstered with the return of **Terry Giacomis**. Welcome back **Terry**!

Get a good night's sleep, hydrate and eat well in preparation for game day. Looks like it will be 25 & sunny ☀️

Starting line-up for our top of the table clash
