Sunday, 19th August

We were lucky to have our first night game this year against Surfers Paradise at their home ground.

It was a warm winters evening, the kids were looking forward to playing under lights.

We have kept challenging our players each week with taking on the game and making sure they look for their team mates with their kicks and handballs.

Tonight was a great example of everything coming together. From the first bounce our boys tackled well, looked for team mates to kick/handball the ball to which was great to see by coaches and parents.

The boys progression from the start of the season to now has been fantastic which is not only great to see by coaches and parents, it's also given the boys a better understanding of how to play AFL which in turn has made the boys enjoy football so much more.

Our award winners on the night were **Hugh Russell** for his great tackling, **Caleb Press** for his fantastic team play and attack on the football & **Cameron Lee** for his great skills and effort.

In the end the boys had a great night, there was plenty of goals scored by our boys which was pleasing to see.

We have our last game of the year this weekend, a double header against Burleigh at Burleigh's home ground.

Don't forget our "Pie Night" this Thursday night at the football club after training. Also make sure you bring along your football cards as we make it a swap card night as well.

Sunday, 19th August

After a strong second half of the season unfortunately both our Under 11 teams finished the final round with a loss. Team White just couldn't hang on to the lead against Carrara while Silver had a tougher game against Broadbeach. Both teams were short this week so it was a great opportunity to play up 8 Under 10 boys.

Best players this week were **Jayden, Joshua** and **Cooper G** for team white and **Jasper, Flynn** and **Travis** for team silver.

Sunday, 19th August

What an end to the home & away season, we came up against the top team, Broadbeach Blue. We were in 2nd spot on the ladder coming into this game so we needed to win to secure 2nd spot going into the finals.

We started the game with an offensive line up to try and get a jump on Broadbeach. We quickly knew that we needed to make changes fast as Broadbeach came out fired up to win the game.

The first quarter was a real battle as we won the toss and decided to kick with the wind, which was the southern end goals however as the game started the wind shifted to the North. The first quarter was a tight tussle as both teams tried their best to get an advantage however when the siren sounded to end the first quarter, scores were level 1 goal 1 behind each.

The second quarter started better for us with the game being played a little more on our terms which was starting to reflect on the scoreboard; however it was only a slight scoreboard advantage as the half time siren sounded. We spoke about basic football and manning up to make sure we kept the game on our terms.

The third quarter was a tight quarter also with Broadbeach scoring a little more than us. At the last change I asked the players to dig deep and run the game out as we really wanted to have an advantage of having two cracks up at by tying up 2nd second with a win.

The last quarter was like the 3 others, very hard and tough; we had Liam Jack come off the field with a foot injury which was something we didn't want however we had to play out the game. The wrestled back the lead and then put on a couple of goals. Broadbeach then scored a goal and we were only a few points in front. As the quarter wound down the ball was in Broadbeach's forward line so it was a nerve racking few minutes before the siren sounded. In the end we ran out 2 point victors which were extremely pleasing.

We head to Labrador Football Club next Sunday at 12.00pm to face Broadbeach Blue again for the 2nd semifinal. The winner goes straight into the Grand Final while the loser faces the winner of Coomera or Surfers Paradise in the Preliminary Final which will take place at Southport Football Club on Friday 31st August at 6.00pm.
