### MATCH REPORT

Once again we got off to a good start but dropped away in the last quarter. Coming up against an in form Brisbane Lions outfit, fielding 21 listed players, was always going to be a challenge. The message during the week was about a strong response from last weeks effort. I thought we were up for the challenge and gave ourselves a chance by our pressure in the contest, unfortunately this wasn't sustained throughout the game and a disappointing last quarter saw the margin drift out to 59 points in the end. I though some of our ball movement and transition from defence was a highlight, but some poor execution and bad turn overs cost us a lot on the scoreboard. We have a must win game this week against Canberra to get us back in the hunt. **Nathan Bock – Senior Coach**
