MATCH REPORT

A strong performance on the weekend against Canberra produced our first win for the year. We knew the footy we'd been playing over the past few weeks was good enough, we just hadn't been able to sustain that for a full game and it was costing us. Most pleasing sign on the weekend was our ability to bring strong defensive pressure and a consistent effort over four quarters. Our ability to control the footy and dominate possession gave us quality forward entries and we were rewarded on the scoreboard. A lot more solid contributors this week and a much needed boost of confidence heading into another crucial game against Aspley at home on Saturday.
