MATCH REPORT

We took on Aspley at home in a must win clash last Saturday and our first quarter was very impressive. We dominated play and clearly looked the better team in the opening stanza.

Unfortunately our second quarter was the complete opposite and we were outscored 4.3 to our 0.4. Turnovers were killing us and the players were advised of this in no uncertain terms at half time.

They boys responded with a great third quarter but our poor conversion saw us trail by 8 points at three quarter time.

With McKenzie and Erickson out of action, we failed to run the game out and ended up 28 points in arrears.

This was probably our most disappointing performance this season.

After the Bye, our next month is as follows;

Sydney University – Away

NT Thunder – Home

Redland – Home

Gold Coast Suns – Metricon Stadium

Our season will be defined over the next month so we need as much support as possible at our Gold Coast games and hopefully the players can produce the sort of footy we know they are capable of.
