MATCH REPORT

Saturday’s game against NT Thunder was played in front of some premiership heroes of yesteryear, but they must have been disappointed with what they witnessed.

A good first quarter set up a 3 point quarter time lead, but we lost Brady Egan at the 10 minute mark when he was knocked out cold. We struggled to contain NT gun Cameron Ilett after this point.

The next 2 quarters saw some of our worst football of the season. We conceded 10 goals and only managed 2 ourselves. Hamish Shephard came off with a shoulder injury which just added salt to the wounds.

Straight kicking in junk time made the scoreboard look better but the game was effectively over in three quarters.

Tom Thynne did the job on Ben Rioli, Jack Anthony kept gun forward Darren Ewing goalless and debutant Dylan Lancaster had a great day kicking 2 goals. The midfielders worked hard but we just didn’t have enough winners on the day.

The Thunder handled the heavy conditions better than us and were clearly harder at the contest. With a replay of the game on NITV tonight, I am sure the playing group will be ready to respond with a ruthless performance against Redland this week at home.
